How Can You Preserve Muscle While Cutting? | Bodybuilding.com

As she tells it, your first forays into muscle building could be as simple as using resistance bands for bicep and tricep curls, then adding planks and push-ups (which, she says, hit “ six muscles at one muscle”) soon after. You could start by, a couple of times a week, holding a single plank for as long as you can and doing five modified push-ups. Add another plank and five more push-ups a few weeks later, as you get stronger.
