Straight line quilting doesn't have to be perfectly straight Oh yes, you heard me! Using the exact same process and tools, you can create a bit of movement in your quilting, commonly referred to as "organic straight line quilting". You don't need any fancy stitch designs, just gently and slowly wiggle your quilt top from side to side as

In order to have a straight line of stitching, you'll need to reference the seam guide on your sewing machine. The seam guide is a line on your machine that you want the edge of the fabric to align with as you sew. When stitching, guide the fabric edges to trace your desired seam guide in order to achieve your pattern's prescribed seam
