~~Aprilaire 800 Whole House Steam Humidifier, High Output—~~

The average homeowner spends \$556 to install a humidifier with professional services. Depending on the model you choose, the labor rate and the service time, this cost could range from as low as \$200 to as high as \$1,000. The typical range is \$395 and \$734. Average units cost about \$100 to \$300, while higher-end options cost \$500 to \$1,100. Labor by HVAC technicians is expected to add \$100 to ...

~~2020 Whole House & Furnace Humidifier Costs & Installation—~~

We used it on the main level furnace/ heatpump to replace two Honeywell Steam humidifiers and one Aprilaire Bypass humidifier. The Honeywell units were a maintenance disaster and the bypass humidifier was not very effective. We have over 5,500 sf and the single Aprilaire 800 powered with 220v provides more humidity by far than the three combined.
