Beyond the Night is the first book in a new series by Joss Ware. It takes place in a post apocalyptic world when six men find that they have been asleep for 50 years in a cave. They went to an expedition, major environmental destruction happened ending the world as they knew it and they woke up not having aged at all but the world was completely different.

After six months of wandering amid desolation, they rescue some teens from an attack of quasi-humans with the help of Jade, a mysterious woman on horseback. The teens lead the men to their city of Envy (pop. 2,000), formerly Las Vegas, where Jade draws Elliott into romance as well as efforts to understand and dispel the Strangers' powers.
