Nexxt 500 Plus series model is not an exception. The washer with front loading copes with the assigned tasks. High spin speed and 15 different programs allow you to select the desired wash mode. You can choose the needed one for a particular thing. However, even such strong and functional devices need maintenance.

I purchased a Bosch Nexxt 500 Series Dryer and a 100 Series Washer. I will never purchase another Bosch product again. I have followed all manufacturer's instructions concerning the proper operation of both products. The washer leaves the clothes a tangled mess and sometimes does not spin the water out correctly.
