BSA C15 *F*-Type engine Build X 2. OK I have the engine from the Blue C15T now stripped out for its rebuild, this is the F type engine, with side points, but only a timing side main bearing bush. So I thought, as the engine for the "Scott" bike also has one of these I would duplicate the rebuild and build both of the engines up together and to the same specification.

À build with pictures of two BSA C15 F type engines, with ...

The Citroën C15 is a panel van produced by the French manufacturer Citroën from late 1984 until 2005. It was the successor to the Citroën Acadiane, which had replaced the Citroën 2CV vans that pioneered the box van format from the 1950s to the 1970s, although the Acadiane continued in production alongside the C15 initially. The name refers to the car's 1,500 kg (3,310 lb) French gross ...
