Our standards for student supervision and assessment have been in effect since 28 January 2019.. They set out our expectations for the learning, support and supervision of students in the practice environment. As well as setting out how students are assessed for theory and practice learning.

Standards for student supervision and assessment
Student nurses must successfully complete an NMC-approved pre-registration programme in order to meet our standards for registered nurses and be able to join our register. Our standards framework. Our standards for pre-registration midwifery programmes follow the student journey and are grouped under the following five headings:

Standards for pre-registration nursing programmes - nmc.org.uk
We review and maintain standards for nursing and midwifery education and practice at both pre and post-registration levels. These standards are required to be met by all nursing and midwifery students on NMC approved programmes prior to entry to the register. This will ensure they are fit to practise at the point of registration. In response to the current ongoing Covid-19 situation, we've produced an emergency set of education programme standards to enable our Approved Education ...

Standards for education
In response to the ongoing Covid-19 situation, we've produced recovery and emergency education programme standards to enable our approved education institutions (AEIs) and their practice learning partners to support all of their nursing and midwifery students in an appropriate way.

Standards for nursing associates - Nursing and Midwifery ...
As a result of changes introduced by the Nursing and Midwifery Council (NMC), the way that trainees' and students' work is overseen and signed off is now very different. From spring 2019, mentors and sign-off mentors will be replaced by practice supervisors, practice assessors and academic assessors. These changes to supervision and assessment while learning in practice will apply to all registered nurses, midwives and nursing associates as well as students, trainees and nurses returning ...

Guidance and Supporting Information
As a nursing student, you should not be rostered to work on the ward or within the sphere of nursing as a nurse. Students are placed on the ward or within a sphere of nursing to undertake a clinical placement and meet certain learning needs. You should not be placed in a situation where adequate levels of support cannot be guaranteed.

The Nursing & Midwifery Council (NMC) strongly recommends that all new registrants have a period of preceptorship when commencing employment. Anyone who has entered a new part of the register, or been newly admitted to the register from other European economic area states and other nation states, should also receive a period of preceptorship.

NMC: Preceptorship | Advice guides | Royal College of Nursing
NMC is now in Stage 2 of its reopening plan. This plan is designed to limit the spread of COVID-19 while allowing the College to meet the needs of our learners and continue important business functions. Stage 2 allows for services by appointment only and some small lab classes to be performed on campus following the College's safety guidelines.
