The Myrtles Plantation  
was constructed by  
David Bradford in 1794,  
and since that time, has  
allegedly been the scene  
of at least ten murders.

In truth, though, only  
one person was ever  
murdered there but, as  
has been stated already,  
some of the people who

relationship with the  
house (a haunted

fascinating and the fact  
that the place wreaked

that her husband seemed
