Cooper took the Federalist side of a debate in the 1790s that pitted two conceptions of authority against each other: political leaders as genteel, aristocratic "Fathers of the People" or as a new, egalitarian "Friends of the People" (embodied by a growing Republican backlash). In the end, Cooper's (and the Federalists') strivings for an older colonial style of gentility resulted in their political downfall by the Republican Revolution of 1800 - which Taylor maintains was a product of local ...
